

ABOUT HERAEUS PRECIOUS METALS

Heraeus Precious Metals is a leading provider of precious metals services and products. We combine all activities related to our comprehensive expertise in the precious metals loop - from trading to precious metals products to recycling.

We are one of the world's largest refiners of platinum group metals (PGMs) and a leading name in industrial precious metals trading. Our precious metals products are used in a wide variety of industries, including the chemical, pharmaceutical, glass, electronics and automotive industries. We offer top quality solutions and products based on many years of experience and technical expertise. We are a reliable development partner for our customers and find the best solutions for their requirements.

With our eleven production and four trading sites in all relevant time zones, we offer our customers a global production and logistics network. Trust and reliability, strict adherence to leading compliance standards, transparency and our financial stability have formed the foundation of our business for more than 160 years.
