

Claims, Disputes & MMTA Arbitration

Disputes and Arbitration

Members' attention is drawn to the facility which exists whereby brief details of a contractual problem may be submitted to the Committee, in order that an impartial consensus view, based on the background of committee members' combined experience, may provide a clarification, thereby hopefully assisting the parties to resolve their problem and so obviate the need to ultimately proceed to arbitration.

Any dispute arising out of a contract, which cannot be resolved by negotiation or mediation, is to be submitted to arbitration, which shall be conducted under the Association's published rules; another arbitration body may be used if mutually agreed upon. It shall be expected of members that principal point(s) of contractual law arising from an arbitration may be disseminated to the Membership - without the divulging of the concerned parties' names - to enable other members to thereby avoid a similar problem.

The MMTA Panel of Arbitrators list is available on request from the Executive Team at: executive@mmta.co.uk

1. Introduction

- 1.1. These arbitration rules ("the Rules") will apply when the parties to the contract have agreed in writing that disputes in relation to that contract be settled in accordance with the arbitration rules from time to time of the MMTA.
- 1.2. Prior to the commencement of arbitration proceedings, the parties are strongly advised, but not obliged, to attempt to settle the dispute through a conciliation or mediation procedure offered by the Minor Metals Trade Association (MMTA).
- 1.3. Unless otherwise agreed among the parties, these Rules shall be governed by and construed in accordance with English Law. Except where the arbitration rules provide otherwise, all arbitrations hereunder will be conducted in accordance with the provisions of the Arbitration Act 1996 of England as amended from time to time. The seat of the arbitration shall be England, unless otherwise agreed among the parties.
- 1.4. Unless otherwise ordered by the tribunal, all notices required by these Rules shall be in writing. Notices and all other documents submitted in the dispute shall be sent by first class post where available, or by airmail, fax, telex, electronic message or delivered by hand.

2. Arbitration Panel

- 2.1. The Committee of the MMTA ("the Committee") shall appoint as members of the MMTA panel of arbitrators ("the Panel"), individuals who by reason of their experience in the minor metals trade, or by membership of the Chartered Institute of Arbitrators, or possession of other suitable arbitration expertise, the Committee considers competent to act as arbitrators under the Arbitration Rules.
- 2.2. The Committee shall appoint, from members of the Association, an Arbitration Committee and a Chairman, with powers to act under the Rules.

3. Commencing an Arbitration

- 3.1. The party commencing the Arbitration (the Claimant) shall serve a Notice to Arbitrate on the other party (the Respondent), by sending a copy of the Notice to Arbitrate to the Secretary of the MMTA ("the Secretary"), accompanied by a Registration Fee and Deposit in the amount as may be specified by the Arbitration Committee from time to time.

- 4.1.7. The Claimant's nomination of one arbitrator from the Panel, who is prepared to act.

The Notice of Arbitration shall be valid on receipt by the Secretary of the Deposit and Registration Fee. The date of receipt of a valid Notice to Arbitrate by the Respondent shall be the date of commencement of the Arbitration.
