

REACHReady/MMTA Partner Programme

REACHReady Gold Subscription at 25% off the regular rate!

How does the Partner Programme work?

REACHReady is available to help Minor Metals Trade Association (MMTA) members with REACH, CLP and BPR – the most complex and wide reaching chemical regulations ever devised.

MMTA members subscribe by entering their own details onto our website along with a partner code that is unique to the programme. Once completed, MMTA will be sent an email to confirm that the applicant is entitled to the discount, or not approve as the case may be.

REACHReady will then invoice the MMTA member directly for the appropriate amount and upgrade the member to Gold Subscription upon receipt of payment. And that's all there is to it!
